- Valves and injectors adjustment
- AdBlue® filter replacement
- Brake system check
- Gearbox oil and filter replacement
- Rear axle oil replacement
- Check of control and driver's station
- External functional check
- Engine compartment
- Front suspension
- Steering gear
- Check underneath the vehicle
- Body maintenance*
- Road test

* Applicable for complete buses with Volvo body only

Uptime at a fixed cost

Your costs are spread evenly throughout the contract period. The contract covers labour, Genuine Volvo Parts and other materials. You know exactly what your servicing needs will cost you over the contract's duration.

All technicians are certified, use only Genuine Volvo Parts and have access to all necessary special tools. They perform all operations needed to ensure uptime and full functionality of your vehicle.

With a Volvo Blue Contract, uptime is improved and unexpected standstills are reduced. In the end, you save time and effort, get better cost control and the cost of ownership is lower. Simply put, you have a better chance to run a profitable business!
