## Tech Tool Release 2.8.140– Call back

The release 2.8.140 is no longer available for download in Client Update

### Important information

Please be informed that Tech Tool installation files for version 2.8.140 have been withdrawn from the client update due to some quality issues during installing.

Kindly continue with version 2.8.130 as the option to upgrade to version 2.8.140 will no longer be available from 14/07/2022.

We are aware of the issues and are working to resolve them as early as possible.

### Note

If you have completed the installation of Tech Tool 2.8.140, it will work as normal and no further actions are needed.

*Any concerns with respect to Tech Tool should be diverted to respective channels. If in doubt please reach out to your Business area contact or Tech Tool Support team.*
